

AMERICAN FRIENDS OF THE ATTINGHAM SUMMER SCHOOL
DIRECTORY PROJECT

You are an important part of Attingham's history! Don't be left out.

In celebration of the 60th anniversary of the Summer School we are preparing to publish a directory of all Americans who have attended. This commemorative volume will be both a usable list of names and contact information as well as a historic document. (To be published in hardcopy in Spring 2012.)

Please help us make this record as complete and accurate as possible by sending us your entry promptly – no later than Oct. 15, 2011. Thank you.
